CAPABILITY PROCEDURE **Adopted by Council 18 July 2017**

Introduction

This procedure should be used primarily for supporting, enhancing and improving the performance of employees. In accordance with the Employment Rights Act 1996, Human Rights Act 1998 and the ACAS Code of Practice on Disciplinary Procedures this procedure sets out a framework for resolving issues relating to poor performance. The procedure aims to ensure that consistent and fair treatment is given to individuals.

Scope

Where there are issues of misconduct or of negligence these should be dealt with under the Disciplinary Procedure. In addition for matters of sickness, disability or ill health the Absence Management Policy should be used.

General Principles

- The Procedure is not a substitute for good management practices and should only be invoked when initial attempts to improve performance have been unsuccessful following discussions between the employee and their manager.
- The employee must be given at least 5 working days notice of the requirement to attend a formal review meeting or an appeal.
- The employee has the right to be represented at formal review meetings or appeals.
- In the event of a formal warning or a dismissal the employee has the right of appeal.

Related Procedures

When using the procedure it may be necessary to refer to the contents of other agreed documents such as:-

- The Equal Opportunities Policy
- The Grievance Procedure
- The Absence Management Policy

Representation

Employees have the right to representation at hearings and appeals relating to any stage of the formal procedure. This can be a trade union representative, non-union employee representative or a work colleague. Representatives can take an active part in review meetings.

Action against a Trade Union Official

In normal circumstances no action will be taken against an officer of a recognised Trade Union until the matter has been discussed with a full-time officer of that union.

The Informal Procedure

The Town Clerk (or Chair of the Staffing Committee, in relation to matters concerning the Town Clerk) should deal with minor issues of poor performance in the first instance.

A meeting with the employee to discuss poor performance should be arranged and any problems or areas for concern should be raised by the Town Clerk. Appropriate support and training should be offered to assist the individual in meeting the required standards in the future. Realistic targets should be agreed with the individual and future expectations made clear by the Town Clerk. The Town Clerk should record the points discussed in the meeting and confirm this in writing to the employee along with the agreed plan to achieve acceptable levels of performance. A review meeting within 2 months should be arranged to assess whether targets have been met and whether performance is satisfactory.

In most cases these meetings should provide sufficient guidance, support and clarification of standards to rectify the situation.

However, the formal procedure will apply when:-

- previous informal advice or guidance has proved ineffective;
- The performance is so poor that informal discussions are unlikely to help.

The Formal Review

If informal discussions have proved unsuccessful in raising performance levels to the standards set by the Town Clerk then the formal procedure will be invoked. There are three stages to the formal procedure and the employee will have the right of representation at each stage.

During each stage the employee's performance will be monitored closely. The method of doing this will be made clear to them at the conclusion of each review meeting.

Stage 1: The Capability Review

The Capability Review should build on the informal discussions. It should be sufficiently specific for the employee to know exactly what it is about their performance that is unsatisfactory and how they can improve to the required standard. The Town/Parish Clerk (or Chair of the Personnel Committee, in relation to matters concerning the Town/Parish Clerk) will carry out the Review.

The review has 4 main purposes:-

i) To allow the Town Clerk to discuss with the employee:

- the standards of work required;
- what improvement is necessary;
- how the employee can be helped to achieve them;
- how improvement will be assessed and the timescale which must be reasonable.

ii) To allow the employee to:

- obtain a clear understanding of what is expected of them;
- give an explanation or comment on their work;
- give their views on how the problem can best be tackled.

iii) To allow the Town Clerk and the employee to explore other options:

- additional instruction, training or personal development activity;
- referral to occupational health which may involve alternative action under the Council's Absence Management Policy. Please refer to section 10. Absence Management Policy.

iv) To make clear to the employee

- the timescale for improvement;
- how and by whom their work will be monitored through the review period;
- the consequences if their work does not improve or if improvement is not maintained.

Ideally, standards of performance should be agreed between the Town Clerk and employee. However, in the absence of such an agreement, the Town Clerk must satisfy himself or herself that any targets set are reasonable and non-discriminatory. If training has already been given then its effectiveness should be reviewed and any further training and support agreed.

If, at the conclusion of the review the Town Clerk is satisfied that there is a shortfall in performance, the employee should be issued with a formal warning and an action plan, including timescales, to achieve. It should also be made clear that failure to achieve the action plan will lead to the next stage of the formal procedure. The length of time given to improve will depend on the nature of the job and the performance gap, but in normal circumstances it should not be more than 3 months. The Town Clerk should confirm the outcome of the meeting in writing to the individual within 5 working days.

Stage 2 – The Capability Review

If the employee fails to achieve the standards and/or the timescales set out in the action plan then Stage 2 of the procedure is invoked. This involves a further review, based on the same structure as that for Stage 1.

Stage 2 of the Capability Review will be conducted by the Town Clerk (or Chair of the Staffing Committee, in relation to matters concerning the Town Clerk). If it is concluded that there is still a performance issue to be addressed a further formal warning should be issued and action plan giving details of the standards of performance required and the timescales within which these must be achieved. The employee should be reminded that if the action plan is not achieved, then Stage 3 will be invoked. It needs to be made clear that Stage 3 may result in a decision to dismiss the employee. Again, the length of time given to improve will depend on the nature of the job and the performance gap, but in normal circumstances should not be more than 3 months. A letter to confirm the outcome of the meeting should be sent to the employee within 5 working days, it should also explain the employee's right to appeal against any warning issued.

Stage 3 – The Final Capability Review

The Final Capability Review will be heard by three members of the Staffing Committee.

The Town Clerk who conducted Stages 1 and 2 should also be present to provide details of the previous review meetings and of the steps taken to encourage improvement in the employee's performance.

The employee will have the opportunity to respond and put forward any points they wish to be considered.

Consideration should be given to any alternatives to dismissal such as redeployment or options of downgrading, however this may not always be possible and will depend on each individual situation and the circumstances of the organisation.

The Panel must satisfy themselves that they have heard all of the relevant information and that the employee has been given sufficient opportunity to improve. If they consider that the employee's performance remains unsatisfactory they must inform the employee that their employment is terminated on the grounds of capability or any alternatives to dismissal.

The employee's dismissal will be with notice or, if serving their notice period is not in the interests of the Council, they will receive pay in lieu of notice. The dismissal must be confirmed in writing within 5 working days, stating the reasons for it and informing the employee of their right of appeal.

Levels of Authority

Guidance is given here on the appropriate levels of authority although alternative arrangements may have to be made on occasion.

Formal	Officer	Authority
Stage 1 & 2	Town Clerk	Formal warnings
Stage 3	Staffing Committee	Dismissal

The Right of Appeal

In the event of a formal warning or dismissal the employee has the right of appeal to the Town Clerk (or Chair of the Staffing Committee, in relation to matters concerning the Town Clerk). The Appeal must be made in writing within 10 days of the date of the letter confirming dismissal.

Three members of the Appeal Committee will hear the appeal, providing that they have had no previous involvement in the matter, assisted by an independent adviser.

The appeal will take place as soon as is practically possible. The Appeal Panel will consider the details of the poor performance presented by the Chair of the Final Capability Review and will consider the comments of the employee.

The decision of any appeal hearing is final.

Training

Appropriate training will be given to the Town Clerk or any Members who might be involved in capability or appeals meetings to ensure they fulfil their responsibilities under this procedure.
