REQUIRING INTERNAL ACTION BY CAMELFORD TOWN COUNCIL.

AIMS & OBJECTIVES

AUDIT 2003

<p>Maximise community involvement in town life.</p>	<p>This is ongoing and should be maintained through contact with the Town Forum, CDCDT and Chamber of Commerce.</p>
<p>Improve & develop Enfield Park.</p>	<p>The Town Council through the amenities sub committee will follow recommendations in the adopted Westcountry Rivers Trust management report.</p> <ul style="list-style-type: none">a) The pond – improve the water flow into the pond.b) The top end of the park – improve.c) Footpaths – upgrade and widen where necessary.d) Music and dance concerts – investigate the possibility of establishing through liaison with appropriate bodies.
<p>Improve appearance in town.</p>	<ul style="list-style-type: none">a) Review signs at Sportsmans –there are too many signs at present and it is not obvious that the town centre is a few hundred yards away. The coach park needs to be sign posted from here.b) Paint & improve shop fronts – when funds are available through the regeneration scheme develop joint partnership with premises adjoining the A39.c) CCTV – Churchfield Car Park.d) Undergrounding of cables – within conservation area in partnership with SWEB (H.E.R.S. scheme).

AUDIT 2003

REQUIRING INTERNAL ACTION BY CAMELFORD TOWN COUNCIL

AIMS & OBJECTIVES	AUDIT 2003
<p>Improve and develop riverside walks.</p>	<p>The River Camel is the one major natural resource that Camelford has and this should be promoted and capitalised on.</p> <p>a) Between Camelford & Fenteroon Bridge – with landowners’ agreement establish footpath behind the old doctor’s surgery, footpath across river by garden of Masons Arms, footpath other side of river to link with present footbridge below Fore Street, footbridge over river to link with the opeway by the chemist. This would attract attention to the old water pump and form a circular walk by the river and around the town.</p> <p>b) Between Camelford Bridge & Slaughterbridge – multi use path to Slaughterbridge through Enfield park, which would link in with the Cycle Museum, the Arthurian Centre and the Gaia Centre. N. B. This project is being worked on at the date of the review.</p>
<p>Chapel Street Entrance</p>	<p>a) Convert dilapidated buildings. b) Restore culverts.</p>
<p>Promote and enhance provision for visitors to Camelford.</p>	<p>Establish Camelford & Bodmin Moor Centre – theme, Charlotte Diamond Trail</p>
