97	need more shops	9/26/2017 10:09 PM
98	street lights from valley truckle to high street tidy entrance to highfield ind. est.	9/26/2017 10:08 PM
99	need large supermarket and a dentist	9/26/2017 10:06 PM
100	need shops, houses, school, transport	9/26/2017 10:04 PM
101	improved medical facilities need bypass	9/26/2017 10:04 PM
102	Need a bypass ensure empty shops are filled	9/26/2017 10:03 PM
103	please consider the outlying areas - public transport and broadband	9/26/2017 10:01 PM
104	no more free beer and pasties	9/26/2017 10:00 PM
105	smarten up the town	9/26/2017 9:59 PM
106	Need bypass	9/26/2017 9:59 PM
107	Need proper policing	9/26/2017 9:57 PM
108	need bypass, not a tourist destination	9/26/2017 9:57 PM
109	clean properties and remove weeds on high street signs for park and playground	9/26/2017 9:56 PM
110	need permanent police station again	9/26/2017 9:55 PM
111	more parking at anvil court	9/26/2017 9:54 PM

Neighbourhood Development Plan

112	Reduce air pollution	9/26/2017 9:53 PM
113	more shops instead of homes	9/26/2017 9:52 PM
114	Business regeneration in the centre is essential Need supermarket	9/26/2017 9:51 PM
115	We need bigger doctor surgery and a dentist. The is too many houses in Camelford even the school is too small. So something needs to be done quick not in 10 years time thank you.	9/26/2017 9:50 PM
116	need more shops, restaurants, banks, small businesses, bakery clothing and shoe shop. high rent a deterrent	9/26/2017 9:50 PM
117	enforce current parking restriction no more new build without new infrastructure include bridleways market Camelford as an outdoor centre	9/26/2017 9:49 PM
118	Well done Old Bank	9/26/2017 9:46 PM
119	Bus to exeter and other locations supermarket with cheaper food Need bypass	9/26/2017 9:45 PM
120	Quality investment needed	9/26/2017 9:44 PM
121	Need bypass	9/26/2017 9:43 PM
122	Need bigger supermarket	9/26/2017 9:43 PM
123	Need big supermarket	9/26/2017 9:42 PM
124	Need large supermarket need doctors dentist optician	9/26/2017 9:41 PM
125	need another cash point need bypass Need asda	9/26/2017 9:40 PM
126	need good specialist shops	9/26/2017 9:39 PM
127	manage air pollution, set a trend with green energy without wind turbines	9/26/2017 9:37 PM
128	don't want a horrible big town without character	9/26/2017 9:36 PM
129	need bypass, community owned bungalows, dentist, doctors, bigger school,	9/26/2017 9:35 PM
130	3 parking places per house traffic management by co-op utter chaos	9/26/2017 9:33 PM
131	No more housing estates need bypass and medical centre, bigger school, sewage works that doesn't need to be emptied all the time	9/26/2017 9:32 PM
132	Need bypass	9/26/2017 9:30 PM
133	need new medical centre with free parking for patients	9/26/2017 9:29 PM
134	enforce parking restrictions	9/26/2017 9:29 PM
135	improve bridleways too	9/26/2017 9:27 PM
136	residents permits for beechwood drive	9/26/2017 9:25 PM
137	Public transport to fit conventional working hours to wadebridge for 8.45am	9/26/2017 9:24 PM
138	reduce speed limit for Helstone to St.teath Enforce open footpaths	9/26/2017 9:22 PM
139	Need a bypass	9/26/2017 9:21 PM
140	Stop building houses	9/26/2017 9:20 PM
141	Affordable eatery for families	9/26/2017 9:20 PM
142	No retail park	9/26/2017 9:19 PM
143	need bypass an resolution to pollution problems bus service that connects to a rail service	9/26/2017 9:18 PM
144	policed better at weekends lock the park after dark	9/26/2017 9:13 PM
145	policed better at weekends lock the park after dark	9/26/2017 9:12 PM
146	Users to pay for the library, not through Council Tax.	9/25/2017 7:05 PM
147	Enforce current parking restrictions	9/25/2017 7:03 PM
148	regeneration needed to stimulate the community	9/25/2017 7:02 PM
149	Need larger supermarket, and slower traffic flow approaching the traffic lights	9/25/2017 7:01 PM

Neighbourhood Development Plan

150	Build a multi-storey carpark	9/25/2017 6:59 PM
151	Cycle paths not at the expense of narrowing roads Need a bank and another cashpoint	9/25/2017 6:58 PM
152	Main street looks run down need a bypass like Wadebridge - made such a difference	9/25/2017 6:57 PM
153	Need a bypass	9/25/2017 6:54 PM
154	stop building houses for people from cities to move to.	9/25/2017 6:52 PM
155	Resolve parking issues on Dark lane. cut back hedges on mill lane	9/25/2017 6:51 PM
156	resolve parking issues in Tregoodwell	9/25/2017 6:49 PM
157	Turn off street lighting overnight to help with Dark Skies project	9/25/2017 6:48 PM
158	Camelford not a tourist destination Concentrate on improving building - ie the Darlington	9/25/2017 6:46 PM
159	Need bypass	9/25/2017 6:45 PM
160	enforce current parking restrictions infrastructure before more development- schools, banks, supermarket	9/25/2017 6:44 PM
161	Need a bypass to enable regeneration	9/25/2017 6:42 PM
162	improve public transport and facilities for teenagers. improve air quality	9/25/2017 6:39 PM
163	enforcement of parking restrictions	9/25/2017 6:38 PM
164	Need a supermarket to bring employment	9/25/2017 6:37 PM
165	need a supermarket, would lead to more businesses	9/25/2017 6:35 PM
166	more businesses on outskirts, more cafes, eating places and shops	9/25/2017 6:34 PM
167	no more houses	9/25/2017 6:33 PM
168	Need bypass, better bus service, youth centre, supermarket and jobs	9/25/2017 6:30 PM
169	shops and houses in the town should be power washed by the council 2 x yearly no more wind turbines	9/25/2017 6:29 PM
170	entertainment is not a public function no wind turbines	9/25/2017 6:26 PM
171	cheaper than bus to use own car	9/25/2017 6:25 PM
172	need health facilities	9/25/2017 6:24 PM
173	Extend enfield park, surface path to trefew. more cycle paths to camelford station	9/25/2017 6:23 PM
174	improve infrastructure don't need more houses pollution and traffic is bad	9/25/2017 6:21 PM
175	houses and businesses need to be built to provide jobs	9/25/2017 6:20 PM
176	reopen youth club	9/25/2017 6:19 PM
177	need infrastructure: banks dentist, bakery, improved transport	9/25/2017 6:17 PM
178	Need a bypass	9/25/2017 6:15 PM
179	Don't let the Darlington Pub fall into disrepair	9/25/2017 6:14 PM
180	too much building not enough services	9/25/2017 6:13 PM
181	Enforce current parking restrictions	9/25/2017 6:12 PM
182	free parking disk showing time of arrival	9/25/2017 6:10 PM
183	Off road parking required in new developments	9/25/2017 6:09 PM
184	The bypass is needed in order to regenerate the toen	9/25/2017 6:08 PM
185	Need a dentist	9/25/2017 6:07 PM
186	need proper shopping centre, get the bypass built	9/25/2017 6:03 PM
187	improve infrastructure: schools, GPs, dentist, footpaths, pavements, street lighting	9/25/2017 6:02 PM
188	we have enough houses	9/25/2017 6:00 PM

Neighbourhood Development Plan

189	Encourage local groups to use existing facilities in the town	9/25/2017 5:59 PM
190	address enforcement of parking by employing traffic warden	9/25/2017 5:57 PM
191	cycle routes should join up with others path across the moor	9/25/2017 5:55 PM
192	A bypass is needed. Encourage business	9/25/2017 5:54 PM
193	At such time as we have a distributor road it might make sense to encourage one of the supermarkets to build an out of town store BUT generally I think Camelford should aim to keep independent shops (like Wadebridge have done) to help attract visitors to shop in the town. We should definitely focus on attracting tourists but, need to ensure that the town is developed to meet the needs of residents. Re q6. IF we have to have a solar / wind farm in the town then it should be community owned but, a better solution would be to help all residents install solar panels and ensure that all future developments (including those currently going through planning app stage) incorporate renewable energy in their design. Re Q8 our development was badly designed and should not have been approved without provision of additional parking in the lane where the grass verge was re-instated.	9/19/2017 5:46 PM
194	Stop building houses before you can support them with a decent infrastructure	9/18/2017 3:45 PM
195	re Q3: Most tourist arrive with their own transport why should they need and electric bus. - How would it be funded? Q4: I don't think a designated centre is necessary unless the number of tourists in camelford town greatly increases. Q6: Good idea but how would it be funded. Q9: Off road cycle tracks would be good, The main roads are too busy for cycling, especially for children. Advertising for local events has greatly improved recently but Camelford could take advantage of the tourist industry more and better market the towns events, like party in the park, fireworks, carnival, etc to encourage more tourists to visit, spend money in the shops/eaterys, enjoy our lovely park/events and help Camelford thrive.	9/18/2017 1:40 PM
196	Firstly the council needs to focus on getting through traffic out of the town so that the centre of town becomes a nicer place to visit. Also the signs for the town says we welcome 'walkers'. Where are the really well visible signs in town for visiting walkers that show walking routes either down by the river towards Pencarrow/Rough Tor or in Enfield Park towards Trefew or up College Road towards Pencarrow/Rough Tor. If the traffic was taken out of town you could create a cycle route from the centre of town up through Tregoodwell to Rough Tor and moors. The Town council needs to focus on creating Camelford as a destination point into the moors and not as a thoroughfare for visitors going elsewhere - which is what most visitors do at the present time.	9/18/2017 8:02 AM
197	1) We need local jobs, a reason for people to relocate here. Save on fuel to supermarkets out of the area. 2) Providing it has gardens for families, this will help sell the live in/work space and may need garden space for the business. 3)Can we not team up with Age concern or promote their tours more, they have always done a great job. 4)The Old bank and Library do a great job already. 5)We need to look after out Planet! Our future Camelfordians depend on us! 6)As above....YES 7) I have struggled to find a space this year, probably due to works up the Old Grammer school/council offices but with more and more shops turning into residential homes this is going to be a problem for the Town. 8) We have 2 cars in our household and 1 car space located for our property which was only built 8 years ago (Treclago View) Why this was a good idea to approve houses with 1 allocated space is beyond me! 9 & 10) Yes, this will encourage cyclists to visit. I believe reopening the old railway line to extend the Camel Trail would be a lifeline for our town, is this something you could look into? Please look into it, It would be amazing for the Town. 11) Unless it is Party on the pitch! We all used to look forward to that each year. All the best Amanda Hocking of 56 Treclago View 11)	9/17/2017 10:26 PM
198	Camelford is in a critical condition with little to offer its residents and visitors. Allowing a supermarket to be built on the outskirts of the town, accessible from the B3266 would attract both residents and tourists, and would keep traffic away from the town centre. If it could also be married up with a bypass then I believe that Camelford could grow again.	9/11/2017 4:38 PM
199	No	9/6/2017 4:58 PM

Neighbourhood Development Plan

200	<p>Camelford is a ghost town,tourism is key to the survival of local business.I think Camelford is in a good position to take advantage of the moors "dark skies at night status" which could provide tourism all year round. The bus service been proposed should take this into consideration. We should have a tourist board providing local tour guides and trips to the moors. Having the right shops on the high street is vital, clothes,shoes, a costa shop would be great for the area maybe a weekly farmers market. we should encourage this through cheap business rates. We need big business to come to the area and bring jobs we need to have a large supermarket. the highstreet could also look more inviting with flowers and better colours of the houses as the amount of traffic coming through has make the place look dirty and uninviting. (what happened to the planned bypass?) the amount of traffic coming through the town centre has really impacted on tourism. they should knock down the pub that's been closed down and have more parking spaces. also the kids are bored. the youth group needs to be on more days during the week. and the age ranges should be at different times. what about a theater? allowing the sports hall to hold a roller disco? Crowdy reservoir does it allow sports? we should have rowing clubs,sailing clubs regattas. fishing boat trips. we should also provide the land for themeparks/tourist attractions. what about a observatory on the moor? even converting one of the buildings into a youth hostel like they have in Boscastle. we also need a good restaurant in the area we should also think about an wildlife sanctuary or a zoo I know these are pie in the sky ideas but it would bring more people to the town. A community run farm/petting zoo the local kids and adults could help and it would bring in much needed cash. we should really consider having a playhouse providing drama lessons and bringing nationwide productions to the town would be a great investment. Susan O'keeffe 12 highfield road camelford pl329qz 07851022613</p>	9/6/2017 4:42 PM
201	<p>With regard to new housing developments, the town is big enough already without building more housing. Try to sell the new ones we have first, create more jobs within the area and upgrade essential education, medical , parking and shopping services before even considering new properties around the town. To overcrowd a small town with too many residential properties will discourage people to move into said town which is seriously lacking sufficient facilities for those current and new residents.</p>	9/5/2017 5:00 PM
202	<p>we need a traffic warden and a police presence, but I know there is no chance of that</p>	9/5/2017 4:56 PM
203	<p>As I am in my 80s I am looking for what coming generations might need.</p>	9/5/2017 4:16 PM
204	<p>I'm often asked if there is a bakery in the Town. It would be good if an artisan bakery/deli could be persuaded to move into Camelford. Would probably encourage good businesses to come here.</p>	9/4/2017 11:37 AM
205	<p>A cycle route from the back of the park would be good. People need a reason to visit Camelford - recreation? What do we have to offer? Maybe a cycle path could be a reason. Walks? Central base to coastal villages and moors? We are losing amenities - Tintagel has more than us (although this problem can not be blamed on the council). How can we encourage investors? Maybe if we give Camelford a niche that can be used e.g. Bike shops , activity wear shop, cafes, gift shops. All easier said than done. Love the park and there are is some great efforts by people to try and improve our little town.</p>	8/29/2017 1:43 PM
206	<p>Too many shabby , empty shops ("retail units") in the town. Why are these not being occupied by businesses that Camelford needs? Why is infrastructure being neglected as more dwellings are being built eg lack of school places , under capacity at sewage works , no dentists , still no new medical facility ? How many cars use the electric charging point in Churchfield car park ? Have atmospheric pollution levels dropped in the town since the recent dualling of the A30 ? Camelford needs proper development not just tinkering round the edges with extra dog poo bins.</p>	8/27/2017 12:57 PM
207	<p>Camelford town is a sorry state to how it once was but has so much potential, particularly from a tourism point of view.</p>	8/24/2017 8:46 AM
208	<p>The state of the shops in the town is dull. Camelford needs to utilise current businesses, empty units should be occupied. At least free parking encourages people to stop. Flower pots by library have taken away at least two parking spaces. The sooner a new doctors surgery can be built the better.</p>	8/16/2017 7:57 AM
209	<p>More 'executive style housing'. Concern about pressure on school places and doctors surgery with too much population increase.</p>	8/16/2017 7:09 AM
210	<p>Pay for car park</p>	8/13/2017 12:24 AM
211	<p>you need to concentrate on providing more dr's dentists schools/childcare banks a larger supermarket etc, things that would stop people from having to travel outside of the town, if they have these things in town they would use the shops we have left and encourage more to locate to Camelford</p>	8/12/2017 3:25 PM

Neighbourhood Development Plan

212	Why no supermarket	8/11/2017 10:47 PM
213	In order to thrive we need more businesses in the town, particularly to provide employment for those that live here. We need more interesting shops, cafes, restaurants, cycle paths to encourage visitors and residents to use the town more. We have an information centre in Now And Then, but it is manned by volunteers and it hasn't got enough volunteers.	8/11/2017 9:19 PM
214	There shouldn't be any more new build houses or flats. Older uninhabited buildings could be and should be refurbished.	8/11/2017 6:27 AM
215	No	8/11/2017 12:51 AM
216	We must have more facilities if we are to get more houses we have lost all the banks there are not enough shops to make it worth doing any thing but odds and ends shopping in town.	8/10/2017 12:18 PM
217	No	8/10/2017 9:31 AM
218	STOP allowing more houses to be built here as they are way out of locals price brackets and the town hasn't got the infrastructure to support more people. The primary school is already full to bursting, the doctors surgery is inadequate, we have no banks, no dentist, and no real supermarket. Stop building houses and bringing more people into a town that's already sinking under the strain. The so called 'affordable housing' at Ferla Meadows is equivalent to private rent and not affordable for locals. Real locals are being pushed out and having to move away from where they were born and bred. Sort the infrastructure before any more houses are granted permission to be built	8/10/2017 8:53 AM
219	No	8/10/2017 8:18 AM
220	We need a better youth club and somewhere for teenagers to have out.	8/10/2017 8:06 AM
221	New developments are being built with out sufficient parking so they end up looking like car parks and a nightmare to get in or out. This is not what tourists come here for, they come here to get away from estate jungles to savour the open air and breathe clean air, both of which we as a community are failing to provide. Camelford council needs to stand up to the county council and start to refuse planning to the point of protesting and keep our small community just that, small. All we hear is "we have no choice we have to do it", there are certain people on the development committee that should not be there as they just roll over instead of fighting for the town.....	8/10/2017 7:36 AM
222	Local housing should be made available to local people, not moving druggies in from problem city areas.	8/10/2017 6:50 AM
223	Traffic situation should be absolute priority	8/9/2017 11:17 PM
224	I feel camelford needs a bigger doctors, a dentist, a supermarket, more council bungalows for disabled people not just older people	8/9/2017 11:15 PM
225	I think having a funeral business smack bang in the middle of the town was a mistake!! What other tourist town has this?? It's definitely not going to attract tourists! I live here and nothing makes me go in to town, why on earth would a tourist stop? Focus on making Camelford a fantastic community to live and raise your children in, perhaps the lack of tourists would be a pull for many families xx	8/9/2017 10:24 PM
226	Camelford needs development....more houses All houses should have adequate parking for more than 2 cars The more houses we have the more likely we are to get a bigger better school, better shops, and possibly a bypass...more is better IMO Camelford is not a tourist destination, tintagel and boscastle yes...Camelford no! An electric bus would be an extravagant waste of council tax. Money should be spent on thinks for young people to do / to encourage them to get out instead of sitting of the internet	8/9/2017 10:04 PM
227	We need to promote camelford more to bring in tourist money.... not sure how best to do this though.	8/9/2017 10:02 PM
228	Investment in infrastructure needed here- sewerage, roads, bigger businesses and more jobs. No more houses until services like dentist and medical centre and banks/ supermarkets are here.	8/9/2017 9:36 PM
229	We need a bypass and all the the infrastructure to grow this town back to its glory we need to pedestrianise the town encourage more shops to come we need an open air market in this historical market town we all need to smile more and appreciate our dark skies and aim for the stars we're all super heroes in this town let's make it happen	8/8/2017 9:21 PM

Neighbourhood Development Plan

230	I have replied negatively to many wuestions because (a) currently we do not have the infrastructure in place to support these facilities and (b) the current level of through traffic causing "high risk" pollution needs drastic action I.e. a road to take the HGV's away from houses, shops, schools and the leisure centre and a flashing light warning for other vehicles warning motorists to slow down and not exceed the 30mph limit.	8/8/2017 6:52 PM
231	We don't need anymore houses until our infrastructure can sustain them. Camelford has nothing to offer anymore, its looking very scruffy and has become a ghost town since the banks have shut. My family has lived here for over a hundred years, in my youth it was a happy vibrant town & you could buy what ever you required and where everyone knew each other. Now other than some of our groceries you have to shop out of Camelford to get what you need. Perhaps if we did get a bypass and got rid of the hugh lorries thundering through the town & encouraged a supermarket to come here more people from here & the neighbouring villages would be enticed back into shopping here.	8/8/2017 2:39 PM
